PTO increases fees which will be updated monthly

This is to kindly inform you that as of April 1, 2026, the PTO will increase the official fees and will create a mechanism that will derive in their monthly update.

The new fees have been updated approximately 100% across the board. Some very specific fees have been increased further still. However, we must mention that the fees had not been updated since December 2023 and were extremely low by international standards.

The most relevant fees will be the following as from April 1, 2026:

TM filing up to 20 products or services	USD 26
TM filing each additional product or service	USD 1
TM renewal	USD 52
Filing of opposition	USD 26
Ratification of opposition	USD 129
Design filing	USD 29
Design renewal	USD 36
Patent filing up to 10 claims	USD 69
Patent filing, each additional claim	USD 4.70
Patent examination up to 10 claims	USD 115
Patent examination, each additional claim	USD 4.70
Application of PPH/Resolution 056/2016	USD 135
3 rd annuity	USD 35
4 th to 6 th annuities, each	USD 57
7 th to 10 th annuities, each	USD 137
11 th to 15 th annuities, each	USD 206
16 th to 20 th annuities, each	USD 309

Also, starting from May 1, 2026, the fees will be increased automatically every month considering the general price variation rate of the second to last month.

While we expect these increases to be minor every month, please bear in mind that the eventual quotes provided in advance from our end will vary over time.

Should you have any comments or questions do not hesitate to contact us.
